

Wheels to PROSPER

NOW ACCEPTING NOMINATIONS FOR CAR GIVE AWAY

Imagine life without a car or reliable transportation. In today's world this means much more than an inconvenience. Often survival depends upon access to a vehicle, whether it is getting to work, taking the kids to school, making it to a job interview, or simply picking up food for the family. The lack of adequate transportation creates hardships and real disadvantages for those who are already struggling.

At **Professional Fleet Services** we are happy to participate in a nationwide program called "Wheels to Prosper". We will be giving away a safe, reliable, refurbished 2004 Ford Taurus to a deserving person or family to help them get on their feet again. This will occur on **Saturday, July 26, 2014**.

We need help finding the most deserving recipient. We are looking for a caring, giving person who helps others. Think of the person who always brightens your day and helps others in spite of what they might be going through. This person is a contributor to their community, family and friends.

We will accept nominations through July 1, 2014.

If you are interested in submitting a nomination, please send a brief letter or essay to **Professional Fleet Services** describing why you feel that your special person deserves the car. Your entry should include the person's name, phone number, and available contact information as well as your contact information. You may also email your nomination to wheelstoprosperto@yahoo.com with "Wheels to Prosper" in the subject line.

You can also help the "Wheels to Prosper" mission by donating a vehicle you no longer use or want.

We look forward to this "Wheels to Prosper" event and contributing to our community.

Sincerely,

David and Peggy Lawless,
Owners

Note: The person should also be at least 18 years old, have a valid driver's license with no outstanding tickets or warrants. The Wheels to Prosper winner is responsible for tax, title, registration and six months of insurance.
